all as more particularly set out in the attached Information Circular. The form of proxy accompanies this Notice. The audited financial statements, auditors’ report and management’s discussion and analysis have been delivered to those shareholders who indicated to the Company that they wished to receive copies of same.

The Directors have fixed the close of business on October 25, 2023 as the record date for determination of shareholders entitled to notice of and the right to vote at the Meeting either in person or by proxy. A shareholder who is unable to attend the Meeting in person and who wishes to ensure that their shares will be voted at the Meeting, is requested to complete, date and execute the enclosed form of Proxy and deliver it to the Company’s transfer agent, Computershare Investor Services Inc., 3rd Floor, 510 Burrard Street, Vancouver, British Columbia, V6C 3B9, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or any adjournment thereof.

NOTICE-AND-ACCESS

The Company has elected to use the notice-and-access provisions under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* and National Instrument 51-102 – *Continuous Disclosure Obligations* (“**Notice-and-Access Provisions**”) for this Meeting. Notice-and-Access Provisions are a set of rules developed by the Canadian Securities Administrators that reduce the volume of materials that must be physically mailed to shareholders of the Company (“**Shareholders**”) by allowing the Company to post the Information Circular and any additional materials online. Under Notice-and-Access Provisions, instead of receiving printed copies of the Meeting materials, Shareholders will receive a Notice-and-Access notification containing details of the Meeting date, as well as information on how they can access the Meeting materials electronically. Shareholders will also receive a form of Proxy

(for registered shareholders) or a Voting Instruction Form (for beneficial shareholders), allowing each shareholder to submit their vote by proxy at the Meeting. Electronic delivery reduces paper consumption, which is consistent with the Company's environmental commitments, and also reduces the Company's printing and mailing costs. The Information Circular is available at visiting the Company's website at www.zincxresources.com; or under the Company's profile on SEDAR at www.sedar.com. Any Shareholder who wishes to receive a paper copy of the Information Circular should make a request by telephone at 1-855-684-2181 or by email at info@zincxresources.com. A Shareholder may also use the number noted above to obtain additional information about the Notice-and-Access Provisions. Under Notice-and-Access Provisions, meeting related materials will be available for viewing for up to one year from the date of posting and a paper copy of the materials can be requested at any time during this period. In order to allow for reasonable time to be allotted for a Shareholder to receive and review a paper copy of the Information Circular before the deadline to submit a proxy (described in the Information Circular), any Shareholder wishing to request a paper copy of the Information Circular as described above should ensure such request is received no later than November 30, 2023.

Before voting, Shareholders are reminded to review the Information Circular online at the Company's website address at www.zincxresources.com. Shareholders may also choose to receive a printed copy of the Information Circular by following the procedures set out herein.

DATED at Vancouver, British Columbia, this 25th day of October, 2023

INFORMATION CIRCULAR
As of October 25th, 2023 (unless otherwise noted)

MANAGEMENT SOLICITATION OF PROXIES

This Information Circular is furnished to you in connection with the solicitation of proxies by management of ZincX Resources Corp. (“we”, “us” or the “Company”) for use at the Annual General Meeting (the “Meeting”) of shareholders of the Company to be held on Thursday, December 7, 2023 and at any adjournment of the Meeting. While it is expected that the solicitation will be made primarily by mail, proxies may be solicited personally or by telephone by directors, officers and employees of the Company. All costs of this solicitation will be borne by the Company.

NOTICE-AND-ACCESS PROCESS

Notice-and-Access means provisions concerning the delivery of proxy-related materials to shareholders found in section 9.1.1 of National Instrument 51-102 – *Continuous Disclosure Obligations* (“**NI 51-102**”), in the case of registered shareholders, and section 2.7.1 of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), in the case of beneficial shareholders (collectively, the “**Notice-and-Access Provisions**”), which allow an issuer to deliver an information circular forming part of proxy-related materials to shareholders via certain specified electronic means provided that the conditions of NI 51-102 and NI 54-101 are met.

The Notice-and-Access Provisions are a mechanism that allows reporting issuers, other than investment funds, to choose to deliver proxy-related materials to registered holders and beneficial owners of securities by posting such materials on a non-SEDAR website (usually the reporting issuer’s website and sometimes the transfer agent’s website) rather than by delivering such materials by mail. The Notice-and-Access Provisions can be used to deliver materials for both special and general meetings of shareholders. Reporting issuers may still choose to continue to deliver such proxy-related materials by mail, and, pursuant to Notice-and-Access Provisions, both registered and beneficial owners are entitled to request delivery of a paper copy of the Information Circular at the reporting issuer’s expense. The use of the Notice-and-Access Provisions reduces paper waste and mailing costs of the issuer.

In order for the Company to utilize the Notice-and-Access Provisions to deliver proxy-related materials by posting an information circular (and if applicable, other materials) electronically on a website that is not SEDAR, the Company must send a notice to shareholders, including non-registered shareholders, indicating that the proxy-related materials have been posted and explaining how a shareholder can access them or obtain a paper copy of those proxy-related materials from the Company. This Information Circular has been posted in full at www.zincxresources.com and under the Company’s SEDAR profile at www.sedar.com. In order to use Notice-and-Access Provisions, a reporting issuer must set the record date for notice of the meeting to be on a date that is at least forty days prior to the meeting in order to ensure there is sufficient time for the materials to be posted on the applicable website and other materials to be delivered to shareholders. The Notice-and-Access notification, which requires the Company to provide basic information about the Meeting and the matters to be voted on, explains how a shareholder can obtain a paper copy of the Information Circular and any related Meeting materials. A Notice-and-Access notification has been delivered to shareholders by the Company, along with the applicable voting document (a form of proxy in the case of registered shareholders or a voting instruction form in the case of non-registered shareholders).

The Company will not rely upon the use of ‘stratification’. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of the Information Circular with the notice to be provided to shareholders as described above. In relation to the Meeting, all shareholders will have received the required documentation under the Notice-and-Access Provisions and all documents required to vote in respect of all matters to be voted on at the Meeting. No shareholder will receive a paper copy of the Information Circular from the Company or any intermediary unless such shareholder requests explicitly the same.

Any shareholder who wishes to receive a paper copy of this Information Circular free of charge must make contact with the Company by telephone at 1-855-684-2181 or by email at info@zincxresources.com. In order to ensure that a paper copy of the Information Circular can be delivered to a requesting shareholder in time for such shareholder to review the Information Circular and return a proxy or voting instruction form prior to the proxy deadline, it is strongly suggested that a shareholder ensure their request is received by the Company no later than November 30, 2023.

All shareholders may call 1-855-684-2181 in order to obtain additional information relating to the Notice-and-Access Provisions up to and including the date of the Meeting, including any adjournment of the Meeting.

APPOINTMENT OF PROXY HOLDER

The individuals named in the accompanying form of proxy (the “Proxy”) are directors or officers of the Company. **A SHAREHOLDER WISHING TO APPOINT SOME OTHER PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR THE SHAREHOLDER AND ON THE SHAREHOLDER’S BEHALF AT THE MEETING HAS THE RIGHT TO DO SO, EITHER BY INSERTING SUCH PERSON’S NAME IN THE BLANK SPACE PROVIDED IN THE PROXY AND STRIKING OUT THE TWO PRINTED NAMES, OR BY COMPLETING ANOTHER PROXY.** A Proxy will not be valid unless it is completed, dated and signed and delivered to Computershare Trust Company of Canada, of 3rd Floor, 510 Burrard Street, Vancouver, BC, V6C 3B9, Canada not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or any adjournment of it or to the chair of the Meeting on the day of the Meeting or any adjournment of it.

NON-REGISTERED SHAREHOLDERS

Only shareholders whose names appear on our records or validly appointed proxyholders are permitted to vote at the Meeting. Most of our shareholders are “non-registered” shareholders because their shares are registered in the name of nominee, such as a brokerage firm, bank, trust company, trustee or administrator of a self-administered RRSP, RRIF, RESP or similar plan or a clearing agency such as CDS Clearing and Depository Services Inc. (a “**Nominee**”). If you purchased your shares through a broker, you are likely a non-registered shareholder.

Non-registered holders who have not objected to their Nominee disclosing certain ownership information about themselves to us are referred to as “**NOBOs**”. Those non-registered Holders who have objected to their Nominee disclosing ownership information about themselves to us are referred to as “**OBOs**”.

In accordance with the securities regulatory policy, we have distributed copies of the Meeting materials, being the Notice of Meeting, this Information Circular, and the form of proxy, directly to the NOBOs and to the Nominees for onward distribution to OBOs. **The Company does not intend to pay for a Nominee to deliver to OBOs, therefore an OBO will not receive the materials unless the OBOs Nominee assumes the costs of delivery.**

Nominees are required to forward the Meeting materials to each OBO unless the OBO has waived the right to receive them. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered shareholder. Meeting materials sent to non-registered holders who have not waived the right to receive Meeting Materials are accompanied by a request for voting instructions (a “VIF”). This form is instead of a proxy. By returning the VIF in accordance with the instructions noted on it, a non-registered shareholder is able to instruct the registered shareholder (or Nominee) how to vote on behalf of the non-registered shareholder. VIFs, whether provided by the Company or by a Nominee, should be completed and returned in accordance with the specific instructions noted on the VIF.

In either case, the purpose of this procedure is to permit non-registered shareholders to direct the voting of the shares which they beneficially own. **Should a non-registered holder who receives a VIF wish to attend the Meeting or have someone else attend on his, her or its behalf, the non-registered shareholder may request a legal proxy as set forth in the VIF, which will give the non-registered shareholder or his, her or its nominee the right to attend and vote at the Meeting.** Non-registered shareholders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered.

REVOCATION OF PROXY

A shareholder who has given a Proxy may revoke it by an instrument in writing executed by the shareholder or by the shareholder’s attorney authorized in writing or, if the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered either to the Company, at Suite 2050 - 1055 West Georgia Street, P.O. Box 11121, Royal Centre, Vancouver, British Columbia, V6E 3P3 Canada, at any time up to and including the last business day preceding the day of the Meeting or any adjournment of it or to the chair of the Meeting on the day of the Meeting or any adjournment of it. **Only registered shareholders have the right to revoke a Proxy. Non-registered holders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries to revoke the Proxy on their behalf.**

A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

EXERCISE OF DISCRETION

If the instructions in a Proxy are certain, the shares represented thereby will be voted on any poll by the persons named in the Proxy, and, where a choice with respect to any matter to be acted upon has been specified in the Proxy, the shares represented thereby will, on a poll, be voted or withheld from voting in accordance with the specifications so made.

Where no choice has been specified by the shareholder, such shares will, on a poll, be voted in accordance with the notes to Proxy.

The enclosed Proxy, when properly completed and delivered and not revoked, confers discretionary authority upon the persons appointed proxyholders thereunder to vote with respect to any amendments or variations of matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the time of the printing of this Information Circular, the management of the Company knows of no such amendment, variation or other matter which may be presented to the Meeting.

VOTING SHARES AND PRINCIPAL SHAREHOLDERS

The Company is authorized to issue an unlimited number of common shares without par value, of which 187,896,141 common shares were issued and outstanding as of the record date. The Company only has one class of shares.

Any shareholder of record at the close of business on November 30, 2023 who either personally attends the Meeting or who has completed and delivered a Proxy in the manner specified, subject to the provisions described above, shall be entitled to vote or to have such shareholder's shares voted at the Meeting.

Tongling Nonferrous Metals Group Holdings Co. Ltd. ("**Tongling**") owns 48,636,224 common shares carrying approximately 25.88% of all voting rights. In 2020, Tongling advanced \$1,398,686 to the Company. There is an arrangement for this advance to be converted into shares of the Company at 30 cents per share or higher, subject to TSXV approval. If the advance was converted at 30 cents per share, this would increase Tongling's shareholding by an additional 4,662,288 common shares. To the knowledge of our directors and executive officers, no other person or company beneficially owns, directly or indirectly, or exercises control or direction over, shares carrying more than 10% of all voting rights.

NUMBER OF DIRECTORS

Management of the Company is seeking shareholder approval of an ordinary resolution fixing the number of directors of the Company at five for the ensuing year.

ELECTION OF DIRECTORS

The term of office for each of the present directors expires at the Meeting. **The persons named below will be presented for election at the Meeting as management's nominees.** Management does not contemplate that any of these nominees will be unable to serve as a director. Each director elected will hold office until the next annual general meeting of the Company or until his or her successor is elected or appointed, unless his or her office is earlier vacated in accordance with the Articles of the Company or the provisions of the *Business Corporations Act* (British Columbia).

The following table sets out the names of the nominees for election as directors, the province and country in which each is ordinarily resident, the period or periods during which each has served as a director, the position(s) held in the Company, their present principal occupations and the number of common shares of the Company or any of its subsidiaries beneficially owned by each, directly or indirectly, or over which control or direction is exercised, as at the date hereof.

Reliance on Exemptions in NI 52-110 regarding Audit Committee Composition & Reporting Obligations

Since the Company is a venture issuer, it relies on the exemption contained in section 6.1 of NI 52-110 from the requirements of Part 3 Composition of the Audit Committee and Part 5 Reporting Obligations of NI 52-110 (which requires certain prescribed disclosure about the Audit Committee in this Information Circular).

APPOINTMENT AND REMUNERATION OF AUDITOR

Shareholders will be asked to approve the appointment of Davidson & Company LLP, Chartered Accountants, as the auditor of the Company to hold office until the next annual general meeting of the shareholders at a remuneration to be fixed by the directors.

CORPORATE GOVERNANCE

The Company graduated to Tier 1 of the Exchange on April 24, 2006. Section 16.3 of Exchange Policy 3.1 requires a Tier 1 issuer to disclose its corporate governance practices using the disclosure requirements in National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) that apply to issuers listed on the Toronto Stock Exchange. Accordingly, the following is a summary of the Company’s corporate governance disclosure required by Form 58-101F1 of NI 58-101, because Form 58-101F1 is the form of corporate governance disclosure that applies to issuers listed on the Toronto Stock Exchange.

Board of Directors

The Board, at present, is composed of five directors, two of whom are executive officers of the Company and three of whom are considered to be “independent”, as that term is defined in applicable securities legislation. John A. Thomas, Marco Strub and Xinfu Hu are considered to be independent directors. Peeyush Varshney and Praveen Varshney, by reason of them being the CEO and CFO of the Company, respectively, are not independent. See the heading “Management Contracts” for further details of compensation paid to Mr. Peeyush Varshney and Mr. Praveen Varshney. In determining whether a director is independent, the Board chiefly considers whether the director has a relationship which could, or could be perceived to interfere with the director’s ability to objectively assess the performance of management.

The independent directors of the board do not hold regularly scheduled meetings at which non-independent directors are not in attendance. However, the size of the Board and the nature of the Company’s operations ensure that open and candid discussion among the independent directors is possible.

The following table identifies the directors of the Company, and nominees for election as a director of the Company, that are also directors of other reporting issuers:

Name of Director	Other reporting issuer (or equivalent in a foreign jurisdiction)
Peeyush Varshney	AAJ Capital 3 Corp. Aneesh Capital Corp. Norrland Gold Corp. Zoglo’s Food Corp.

Board Mandate

The Board does not have a written mandate. The Board is responsible for approving long-term strategic plans and annual operating plans and budgets recommended by management. Board consideration and approval is also required for material contracts and business transactions, and all debt and equity financing transactions.

The Board delegates to management responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Company's business in the ordinary course, managing the Company's cash flow, evaluating new business opportunities, recruiting staff and complying with applicable regulatory requirements. The Board also looks to management to furnish recommendations respecting corporate objectives, long-term strategic plans and annual operating plans.

Position Descriptions

The Board has not developed written position descriptions for the President and CEO of the Company or for the Chair of each board committee. The size and nature of the Company's business allows each director or officer to understand his role in progressing the Company's operations.

Orientation and Continuing Education

The Company has not yet developed an official orientation or training program for new directors. As required, new directors will have the opportunity to become familiar with the Company by meeting with the other directors and with officers and employees. Orientation activities will be tailored to the particular needs and experience of each director and the overall needs of the Board. The Board is satisfied that each of its directors are maintaining the skill and knowledge necessary to meet their obligations as directors because the size and nature of the Company's operations enable the directors to be involved in the Company's activities, including awareness of developments on the Company's exploration properties.

Ethical Business Conduct

The Board has not adopted a written code of ethics for the directors, officers and employees of the Company. The Board monitors the ethical conduct of the Company and ensures that it complies with applicable legal and regulatory requirements, such as those of relevant securities commissions and stock exchanges. The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law, as well as the restrictions placed by applicable corporate legislation on the individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company. In the future, as the Company grows, the Board will consider adopting a written code of ethics.

Nomination of Directors

The Board has not appointed a nominating committee because the Board fulfills these functions.

Compensation

The Board of Directors is responsible for determining all forms of compensation, including long-term incentive in the form of stock options, to be granted to the CEO of the Company and the directors, and for reviewing the CEO's recommendations respecting compensation of the other officers of the Company, to ensure such arrangements reflect the responsibilities and risks associated with each position. When determining the compensation of its officers, the Board considers: (i) recruiting and retaining executives critical to the success of the Company and the enhancement of shareholder value; (ii) providing fair and competitive compensation; (iii) balancing the interests of management and the Company's shareholders; and (iv) rewarding performance, both on an individual basis and with respect to operations in general.

Committees of the Board of Directors

The Board has appointed an Audit Committee, the members of which are Peeyush Varshney, John A. Thomas and Marco Strub. A description of the function of the Audit Committee can be found in this Information Circular under the heading "Audit Committee". The Board has appointed a Compensation Committee, the members of which are: Peeyush Varshney, Marco Strub and John A. Thomas.

Assessments

The Board has not, as yet, adopted formal procedures for assessing the effectiveness of the Board, its Audit Committee or individual directors. The relatively small size of the Company enables the Board to satisfy itself that individual directors are performing effectively. As the Company grows, the Board will consider adopting formal procedures for evaluating director performance.
